Dear Editor,

I saw this in the Julesburg paper last week and thought it was worth reading.

Australia Says NO—Second Time She has Done This!

She sure isn't backing down on her hard line stance and one has to appreciate her belief in the rights of her native countrymen.

A breath of fresh air to see someone lead. Australian Prime Minister Does It Again!!

The whole world needs a leader like this!

Muslims who want to live under Islamic Sharia law were told on Wednesday to get out of Australia, as the government targeted radicals in a bid to head off potential terror attacks.

Separately, Gillard angered some Australian Muslims on Wednesday by saying she supported spy agencies monitoring the nation's mosques.

Quote: "Immigrants, not Australians, must adapt ... take it or leave it. I am tired of this nation worrying about whether we are offending some individual or their culture. Since the terrorist attacks on Bali, we have experienced a surge in patriotism by the majority of Australians.

"This culture has been developed over two centuries of struggles, trials and victories by millions of men and women who have sought freedom ...we mainly speak English, not Spanish, Lebanese, Arabic, Chinese, Japanese, Russian or any other language. Therefore, if you wish to

become a part of our society, learn the language!

“Most Australians believe in God. This is not some Christian, Right Wing, political push, but a fact, because Christian men and women, on Christian principles, founded this nation, and this is clearly documented. It is certainly appropriate to display it on the walls of our schools. If God offends you, then I suggest you consider another part of the world as your new home, because God is part of our culture.

“We will accept your beliefs, and will not question why. All we ask is that you accept ours and live in harmony and peaceful enjoyment with us.

“This is our country, our land, our lifestyle, and we will allow you every opportunity to enjoy all this. But once you are done complaining, whining and griping about our flag, our pledge, our Christian beliefs or our way of life, I highly encourage you to take advantage of one other great Australian freedom, the right to leave.”

If you aren't happy here then leave. We didn't force you to come here. You asked to be here. So accept the country you accepted.

Note: If we circulate this amongst ourselves in the USA, we will find the courage to start speaking and voicing the same truths!
