Cathy Starkebaum, pictured at left, lifts her granddaughter Bobbi Starkebaum up on the MV Equipment booth so employee Jessie Ruiz, right, can give her a new John Deere hat at the Taste of Agriculture event on Monday, March 16. This year's Taste of Ag was held in Haxtun at the Haxtun Elementary School. For one low price, guests could sample products and learn about local ag vendors, as well as enter for a chance to win numerous prizes. —Enterprise photo
