

Rockin' around the Christmas stage

Written by Holyoke Enterprise

Kindergartners, second-graders and fourth-graders were the stars of the show last Thursday, Dec. 6 in the elementary Christmas program, directed by Marcia Dalton. Festive songs and a fun skit got parents and friends in the Christmas mood.

Four of the reindeer in the fourth grade's "The Reindeer Whisperer" hear from the elves that Santa plans to send them to California to retire. What they didn't know was that Santa was planning to send them on a relaxing vacation instead. A hilarious musical skit followed to tell the story of the reindeer, Santa and the reindeer whisperer.

Lucy Iniguez poses at the end of a song during the kindergarten portion of the concert.
